Information About Sending Your Firearm

"The Gun Control Act of 1968" allows the owner of a firearm to ship it to a Federal Firearm Licensee for firearm maintenance. The package must state "Adult Signature Required" on the shipping label.

When sending a firearm to [Kentucky Gun Coatings](#) please be sure to enclose a completed "Work Order Form." This ensures that we are provided with the proper contact information and metal finishing instructions. Failure to complete a "Work Order Form" may result in a delay in the metal finishing service. Payment is due upon the completion of a metal finishing service. The firearm will be returned upon verification of payment.
